

COINER'S DEPARTMENT.

Mint of the United States

AT PHILADELPHIA.

July 9th 1870.Hon. A. Gordon Snowden,
Superintendent.

Sir,

In response to the letter of Acting Director Preston of 6th inst, requesting a statement showing in detail the coinage executed at this Mint, by calendar years, commencing with the year ending December 31st 1857, I have the honor to state that it will require considerable labor to furnish this information, as the denominations of the coins delivered are not given in the Ledgers of this Department, previous to the year 1869.

It will be necessary to pick out from the daily entries in the Journals, each delivery of coins during the years 1857 to 1868 inclusive,

inclusive, and I am not certain that
the record will be found complete.

This will occupy the attention of
a clerk for some time, but I will have
the search prosecuted with the utmost
despatch, and report the result im-
mediately after it is ascertained.

Very Respectfully

Your Obedt. Servant
